## OUR GUARANTEE

All coins purchased from Heritage Rare Coin Galleries are covered by an unconditional 45 day return privilege, one of the longest in the industry.

It is also guaranteed that all coins sold are genuine. As proof of our certainty that no counterfeit or altered coin can escape our attention, it is also guaranteed that we will refund the full Heritage purchase price plus 15% interest per year compounded annually on any non-authentic coin sold through Heritage Rare Coin Galleries. If you request auction for liquidation, Heritage Numismatic Auctions, Inc., after acceptance, will catalog your coins at the same grade which you purchased them.

*Each and every coin sold by Heritage Rare Coin Galleries is graded on both the obverse and reverse, according to the standards set forth in the American Numismatic Association Grading Guide. It should be understood, however, that grading is an art and not a science, and that the American Numismatic Association standards, as published, are somewhat vague and subject to interpretation. Because of this, opinions on grading as well as value, can, and often do, differ between experts as well as grading services. The purchaser is therefore encouraged to carefully inspect and evaluate all coins during this 45 day period.*

## A WORD ABOUT PRICING AND NEGOTIATION

For the past several years, we have mentioned the fact that our prices are negotiable. This simply means that while our listed prices are based on C.D.N. Bid, they are not absolutely fixed, and we will discuss reasonable counter-offers. You may then wonder that if we will sell some of our coins at, or under bid, they may not be properly graded.

This is not the case. The realities of the coin market are that a great many choice and gem coins do not always sell at full MS-65 Bid prices. Our high volume and extensive European buying network often allows us to buy coins in quantity, at somewhat reduced levels. Rather than sell these at full Bid or above, we seek to deliver a fair value at a price based on the coin's worth in the open market.

If you have further questions concerning our pricing policy, please do not hesitate to contact your numismatic representative.

## HERITAGE RARE COIN G A L L E R I E S

*Jim Halperin and Steve Ivy, Numismatists*

Dear Customer,

As we enter into the Fall of 1985, the coin market is continuing to build on its previous two years of sustained growth. The activity remains concentrated in Morgan Dollars, Commemoratives, Walkers, and virtually all U.S. Gold. Other areas, while not enjoying the spectacular gains seen in these series, remain solid at existing price levels.

This is our first issue of the Heritage Numismatic Journal in many months. While we would like to put these out more often, the hectic pace of business over the past years has precluded our doing this. So, enjoy this one!

Heritage is one of the few companies around equally at home with either the collector or investor. Our professional numismatists are not "hired off the street" and given a telephone. They are all knowledgeable individuals, who have made numismatics their profession. While they are well versed in the investment benefits rare coins feature, they understand that each customer and each coin are unique. You will not find canned portfolios and canned presentations here.

If you're tired of the telemarketing hustle, and are becoming more than casually interested in rare coins, I urge you to give us a call, and see what dealing with real professionals is like.

Sincerely,

Michael W. Sherman  
General Manager

## Charles Clifford

*I joined Steve Ivy in September, 1974. During my eleven year tenure, I have handled most numismatic rarities. My experience in the hobby has given hundreds of clients the confidence to build collections and investment portfolios totaling millions of dollars. I feel that I have a unique sense of timing when it comes to recommending undervalued items, and welcome the opportunity to assist new clients.*

## Mark Van Winkle

*In January, 1979 I came to work for Steve Ivy. Since that time, I have sold many millions of dollars in rare coins. My main areas of specialty are gem Nineteenth and Twentieth century type and rare gold. Call and I will describe any coins from inventory, auction, or mail bid sale. I have helped build many major collections, and look forward to helping you achieve your numismatic goals.*

## Dan Fruit

*Originally from Wisconsin, I moved to Dallas this year to join the Heritage staff. My introduction to numismatics began at age seven, and my interest and knowledge continues to grow unabated each year. My close involvement with rare coins through the past years has given me the insight and understanding to answer and discuss your questions regarding any facet of the numismatic marketplace.*

### Ed Stack

*With 32 years of experience, I joined the Heritage team in 1984. The underlying relationship between an account representative and his client must be fiduciary in nature. You can rely on me to give you the best coin at the best price. If you have any questions regarding numismatic material, call me at your leisure.*

### Phil Smiland

*I moved to Dallas from Greenwood, Mississippi and joined Heritage in January of 1984. I have been collecting and dealing in coins for about sixteen years. This includes working at coin shops, for dealers at conventions, and running a coin and stamp retail store of my own for three years. I have a special interest in older type coins, Silver Dollars, and U.S. Gold. I'm excited about being at Heritage, and enjoy the people I work with.*

### Don Blackwell

*Being a collector of coins since 1958, a business man for many years, and a college professor for three years, has given me the insight, understanding and knowledge to service the needs of both the collector and investor. Combining my hobby and professional endeavor has been a pleasurable experience few people realize during their lifetime. I'll be more than pleased to put my knowledge and experience to work for you.*

## The Heritage/ANA Mid-Winter Sale.

# Sell for the top prices:

The winning combination of Heritage and the ANA gets the top prices for your coins – and it's only happening once in 1986: the Heritage/ANA Mid-Winter Sale. Consign your coins NOW!

Heritage and the ANA are a tough team to beat for top auction prices. We've sold over \$22,000,000 worth of coins in ANA auctions since 1980. And our August 1985 ANA Sale in Baltimore brought impressive premiums – prices like these:

Lot 2580	1863 \$2 <sup>1</sup> / <sub>2</sub>	Proof 65/65	\$30,800
Lot 3076	1907 \$20 High Relief	MS 65/65	18,975
Lot 1052	1904-O 25c	MS 67/67	7,700
Lot 3091	1908 \$20 No Motto	MS 65/65	4,840
Lot 433	1852 1/2 Dime	MS 67/65	4,620
Lot 2192	1892 50c Columbian	MS 67/67	1,430

*Price Includes 10% Buyer's Premium*

From our first ANA in 1980, through the ANA sales of 1982, 1983, 1984, and 1985, Heritage has shown that we know what it takes to get the prices your coins deserve. And the 1986 ANA Mid-Winter Sale in Salt Lake City, February 20-23, will be your only chance in '86 to cash in on the Heritage/ANA combination.

**• SELL AT THE ONLY HERITAGE/ANA AUCTION.** Since this is our only ANA auction of the year, it's your only chance to go with the Official Auctioneer of six of the past seven ANA sales. Our long experience with ANA sales gives

us a professional edge that's seen from the time you ship us your consignment . . . to the time you see the prices realized.

**• SELL TO A HOT MARKET.** The Mid-Winter Sale is early in the year . . . when buyers are at their freshest and most excited. And we're constantly updating our mailing list to give you the current cream of the buyer crop.

**• SELL THROUGH THE TOP CATALOG.** Heritage ANA catalogs have a distinguished history – full-color photographs of your coins, with detailed descriptions. Our catalog gives buyers all the information they need to bid with confidence.

Heritage and the ANA: a tradition of top prices. But it's happening only once in 1986 – consign your top coins NOW, so you'll be sure not to miss this important auction. Call Bob Merrill or Bob Vitt today, at 800-872-6467. Or fill out the coupon on this page. But don't miss your only chance to sell in '86 with the top auction team: Heritage and the ANA.
